## Upholding the UC Davis Code of Academic Conduct

Students, faculty, and University administration all have a role in maintaining an honest and secure learning environment at UC Davis.

- ► The success of our Code of Academic Conduct depends largely on the degree that it is willingly supported by students. Students:
  - Are responsible to know what constitutes cheating. Ignorance is not an excuse.
  - Are required to do their own work unless otherwise allowed by the instructor.
  - Are encouraged to help prevent cheating by reminding others about this Code and hold each other accountable by reporting any form of suspected cheating to the University.
- Shall respect the copyright privileges of works produced by faculty, the University, and other copyright holders.
- Shall not threaten, intimidate or pressure instructors or teaching assistants, or interfere with grading any coursework.
- Shall not disrupt classes or interfere with the teaching or learning environment.
- ► Faculty members and instructors are responsible for teaching courses and evaluating student work, and are governed by University of California and UC Davis policies and regulations. Regulation 550 of the Davis Division of the Academic Senate addresses academic misconduct. Faculty and instructors:
  - Will provide students with a course outline containing information about the content of the course, amount and kind of work expected, examination and grading procedures and notice of the Code of Academic Conduct.
  - Should monitor examinations to help prevent academic misconduct.
  - Shall report all suspected cases of cheating and other misconduct to the Office of Student Support and Judicial Affairs

(<http://ossja.ucdavis.edu/>).
- ► The University has delegated authority and responsibility to the Office of Student Support and Judicial Affairs (OSSJA) for the adjudication and resolution of academic misconduct cases. OSSJA maintains records of academic misconduct. The University:
  - Shall educate faculty and students about the Code of Academic Conduct.
  - Shall provide physical settings such as classrooms and labs for examinations that minimize opportunities for academic misconduct.
- Shall assist and train faculty and teaching assistants about how to prevent and address academic misconduct.
- ► Submitting Reports and Judicial Procedures
  - The Code of Academic Conduct governs academic conduct at UC Davis.
  - Faculty have sole authority, as granted by the Academic Senate, to evaluate a student's academic performance and

assign grades. If academic misconduct is admitted or is determined by adjudication to have occurred, instructors may assign a grade penalty no greater than "F" for the course in question. If a report is pending at the end of an academic term, instructors should assign a temporary grade of "Y" for the course until the report is resolved.

- A faculty/student panel, convened by OSSJA, shall conduct formal hearings to adjudicate contested cases of academic misconduct, unless the right to a formal hearing has been withdrawn. The right to a formal hearing may be withdrawn because of a prior finding of misconduct.
- Instructors and teaching assistants may direct a student to leave a class immediately if the student's behavior is disruptive.
- Instructors, teaching assistants and staff persons should contact police (752-1230 or 911) if they feel physically threatened.
